

Mill Creek Towne Marlins

Swim and Dive

The Mill Creek Towne Marlins Swim and Dive team is seeking local community businesses to sponsor our 2017 swim season. The goal of the team is to promote an active lifestyle for our children while building team spirit and cooperation. The team consists of children as young as 5 years old through the age of 18, making swimming one of the very few sports that include this wide of an age range where all the kids are competing together once a week. Our teams are run and supported by the unending efforts of many enthusiastic volunteers. The Marlins have remained in high ranking divisions over the last several years thanks to the commitment of both our coaches and volunteers.

By sponsoring our team your business will help our team representatives hire excellent coaches that will ensure that our swimmers and divers improve their skills throughout the season and help the team members build confidence, self-esteem and pride in both their individual and team accomplishments. The Marlins host a home meet approximately 1-2 times per week which expands a donor's advertising dollar beyond the Marlin community to other teams and potentially hundreds of people visiting our pool. The team is offering 3 levels of sponsorship which are described on the attached form. If you would like to sponsor the Marlins for this coming season please fill out the form and return it with your payment to Mill Creek Towne Swim Association by May 1, 2017. Thank you in advance for your support.

Sincerely,

Joni Mackesy
